

HOSTING A FUNDRAISING COMPETITION OR CAMPAIGN

Thank you so much for becoming an IPPF fundraiser! Both the money you raise and the awareness you spread will have an immeasurable impact on global reproductive rights and sexual health. Please use this guide to learn more about how we can fundraise together.

SETTING UP

Reach out to Sofia at ssoraci@ippf.org to get started. Once we know more about your fundraiser, we can design your campaign or competition page using Givebutter, a free online platform that transfers money directly to us - so you don't have to.

When your page has been created, we will share a link that allows you to join a fundraiser or invite members onto your team, customize your biography, and post on social media.

FUNDRAISING COMPETITION

Team member fundraising: invite members of your community to compete on one level, peer-to-peer.

Ex. Campaign with your sports team or club and have each member fundraise individually

Multi-team fundraising: organize a campaign around groups that include individual members and have teams compete against each other.

Ex. Organize a competition between grades or chapters and fundraise as a team.

MAKE IT YOUR OWN

Select title and theme color

Set a fundraising goal

Join a live leaderboard

Pick or request a cover photo

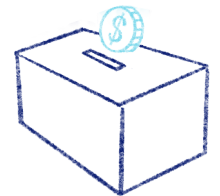

Request social media templates

Request tools (ex. bingo cards)

Offer incentives to winning teams or members with free IPPF stickers! 

FUNDRAISING CAMPAIGN

Spearhead a campaign alone or with peers to mobilize your network around global reproductive rights and sexual health.

Utilize customizable features (theme color, cover photo, etc.) or fundraise using our simpler donation form.
